THE FUTURE OF BMTC

CHRISTMAS CONCERT

On December 6th, we will be holding a fundraiser Christmas Concert at St Mary's Shortlands. Expect a wonderful selection of seasonal and festive songs from our members alongside some mulled wine and mince pies.

OUR NEXT PRODUCTION WILL BE...

SPRING AWAKENING

Our next production to take place in April 2022 will be Spring Awakening! This musical is a tragic story of teenagers in rural Germany coming of age. The setting and music is beautiful but does come with several trigger warnings for those coming to watch. Auditions will be taking place in late November if you would be interested in joining the cast.

WORDS FROM THE CREW

A WORD FROM THE PRESIDENT

Words can't describe how excited we are to finally be putting on our first full length production as a company. When I first started this company in April, I had no idea how fast it would grow and just how talented our cast and members would be. Everyone bonded and became friends so quickly, we've already formed a tight little BMTC family. Nothing brings me more pride than seeing how dedicated some people are to being a part of this, whether its rehearsing twice a week or commuting all the way from Manchester each week (looking at you Bonnie). Fingers crossed, Covid has finished messing with us, that Addams has actually gone through without a hitch and we're very hopeful that nothing more is to come. I very much hope you enjoy the show and please do spread the word of the company as we look to share our work with the wider community.

A WORD FROM THE DIRECTOR

To direct Bromley Musical Theatre Company's first licensed production has been an absolute honour. We knew from the inaugural showcase that there were vast amounts of talent in our community, but new and old members alike in both cast and crew have brought more than we could ever have asked to make this show a success. The Addam's Family is perfectly timed in our company's calendar, not just for its seasonal spookiness, or its lighthearted release from the still troubled times we find ourselves in, but because at its core it reflects the values of family, community and acceptance. I really hope you enjoy the show!

SUPPORT SMALL BUSINESSES

At BMTC, we are big believers of shopping with small, independent businesses that might have struggled in the past year and so we'd love to advertise some of the small businesses owned by some of our wonderful members

Leech Vintage is a leader in second-hand fashion, selling pre-loved 90s clothing both online and at Greenwich Market 6 days a week, specialising in 90s and 00s sportswear and football shirts

Alex, Sophie and Lydia (Motif Professional Singers) are based in Kent, eager to provide top class singing entertainment for any and all events, whether that be for a family friendly set, a more mellow set or maybe a festive set to add sparkle to a Christmas party!
